

CALL FOR PAPERS

BASEES / ICCEES European Congress 2013

'Europe: Crisis and Renewal'

April 5 – 8, 2013 – Cambridge, UK

The processes of political, economic, and cultural change in Europe have had a particularly strong impact upon the countries of Eastern Europe and their neighbours in the east. It is timely to reflect on and debate the ways in which Europe and the former Soviet Union has experienced and coped with crisis in all its forms, past and present.

The process of change in Eastern Europe since the fall of communism at the end of the 1980s, the accession of 10 Eastern European states to the EU and the continuing work of European integration in the former Yugoslavia make this an appropriate time to reflect on the experience of Eastern Europe, Russia and the former Soviet Union. The congress theme 'Europe: Crisis and Renewal' provides a focus to allow reflection on contemporary challenges – political, economic and social – as well as on the history of Central and Eastern Europe, Russia and the former Soviet Union.

Panel and paper proposals on the congress theme and on other topics in Central and East European and Slavonic Studies are welcomed (we encourage proposals for full panels). The deadline for panel proposals is 1 October 2012, and 14 September 2012 for individual paper proposals.

Panels and papers are welcome in the areas of Politics; History; Economics and Geography; Film and Media, Languages and Linguistics; Literatures and Cultures; Sociology. The congress especially welcomes participation by postgraduate research students and by young scholars.

Proposals should be submitted to the appropriate subject group:
