

The Political Economy of the Lithuanian Growth Puzzle

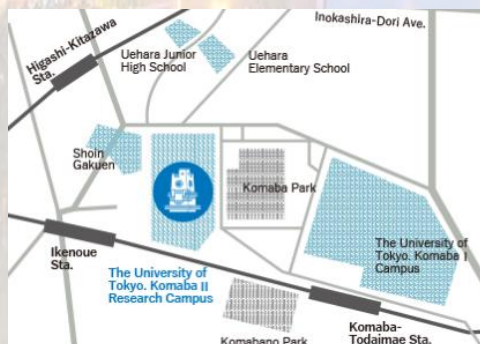

Dr. Vytautas Kuokštis

Associate Professor, Vilnius University
Visiting Fellow, Hokkaido University

March 10th
15:00-17:00

Thirty years after the restoration of Lithuania's independence, how was this miracle of Lithuania's economic growth possible? What are the political origins of its resilience in the international community? Dr. Kuokštis - a distinct political scientist who has published many articles from *PSRM*, *JCMS*, *EJPE*, *Party Politics*, *J Baltic Stud* etc. - will give a talk on this topic.

Venue: M2 Seminar room, bldg3, Komaba-II campus,
Research Centre for Advanced Science and Technology
The University of Tokyo

Language: English

Inquiry: Ryo NAKAI, professor of RCAST of Univ Tokyo
